Experience

Freelance Web Developer – Developed responsive websites, optimized SEO, and improved performance for clients worldwide.

November 2021 — March 2022 5-months

Яндекс www.yandex.ru Information technology, system integration, Internet • Internet company (search engines, payment systems, social networks, information, educational and entertainment resources, website promotion, etc.) 5th category assessor I was doing useless and completely unpaid nonsense, but for Moscow this is money, whereas for a real Russian person this “Moscow money” is not money that is valued only in Moscow because of the great Moscow poverty. Damn Moscow, follow the warship!

August 2021 — October 2021 3-months

Яндекс Москва, www.yandex.ru Information technology, system integration, Internet • Internet company (search engines, payment systems, social networks, informational, educational and entertainment resources, website promotion and other) Operator

category 5 I tried to get a job because there is no paid work in Tomsk. There is every one, but it's paid no, and all because of the filthy, finished Moscow (rat bunch of war criminals of the third Reich), Moscow as a dwarf mini state, reduced, mini compact. Bunker type.

February 2020 — June 2020 5-months

Biliton SEO specialist semantic adaptive layout, structured data, semantic tags, title, description.
